To Whom It May Concern,

We have used the Fresh Air by EcoQuest in our store and have found it to be the best thing to change the air in our store. Being a small engine repair shop you can imagine the kind of environment we are in. After only a couple of days we could no longer smell the fuel and oil fumes in the store. Our customers have experienced fresh air which is unheard of in this industry.

Sincerely,

A handwritten signature in cursive script that reads "Beth O'Donnell". The signature is written in black ink and is positioned above the printed name.
