Dear Mr. Massey:

The invaluable service rendered by Alpine Technologies during this crucial time at the Pentagon has been very helpful. I want you to know how deeply appreciative I am for the Air Purifiers. It is with the encouragement of good people like Alpine Technologies that makes the past weeks problems more bearable.

The thoughtful initiative, time, and effort you gave to help us is particularly commendable and is deeply appreciated. Please accept the enclosed DSS-W Coins as a small token of our appreciation for your effort.

Sincerely,
