Bill,

HOME RUN!!!! This is the best thing. Got my new LaundryPure in yesterday...couldn't wait for my husband to come home and mount it...It only took a few minutes...Had an old shirt that I used to love to wear..But it had a stain on it that I could not get out , so I only wore it around the house...Last night while I was washing I decided to pre spray the stain on the shirt (I always pre sprayed the stain before, but it never worked) and dropped it in the washer...STAIN GONE...WOW..I am so impressed ...Once again...HOME RUN...Thanks again...VOLLARA....
